Read the following dialogue and answer the questions

A Plane Without A Pilot

Teacher: Good morning, pupils. Today we have a special visitor, Omer. He came to tell us about his interesting job. You can ask him questions

Yael: What do you do, Omer?

Omer: I fly planes.

Yael: Are you a pilot?

Omer: No I fly a plane that doesn't need a pilot. It is called a UAV. It's a plane without a pilot.

Rami: So you are on the ground and the plane is in the sky?

Omer: Exactly! I fly the plane from Ground Station (תחנת קרקע)

Shai: What can this plane do?

Omer: There is a video camera on the plane. It takes pictures. These pictures Give us information we need.

Yael: Who uses UAVs?

Omer: Armies all over the world use them.

Dan: only armies?

Omer: No! If a traveler gets lost, a UAV can find him.

Dan: Can you give us another example?

Omer: Of course. The police use UAVs to catch speeding drivers.

Dorit: Do girls fly UAVs?

Omer: They sure do! Both boys and girls learn to fly UAVs in the army.

Dorit: Wow. That's exciting!

Omer: Yes it is, but it's not easy. You need to study a lot to fly UAVs.

Teacher: Thank you, Omer, for talking to us today.

C. Answer the questions

1. What does Omer do?
